

CULINARY AWARD: Zingerman's, Ann Arbor, Michigan
HOST: Dame Amy Emberling (Zingerman's Bakehouse)
TIME FRAME: TBD June through September 2019

The Ann Arbor Chapter is thrilled to offer this unique insider experience with Zingerman's thriving community of businesses <https://www.zingermans.com>. The winner will join the Ann Arbor Dames for a welcome dinner, tour the ten Zingerman's businesses with one of the partners, and enjoy the three-hour "Welcome to Zingerman's Community of Businesses Class" taught by Zingerman's founder, Ari Weinzweig.

She will attend an open-book management meeting, called a "huddle," at Zingerman's Roadhouse and see how the process works in a real life. She will get to work in one of the Zingerman's businesses ranging from coffee roasting, cheese, gelato, bread, or pastry making, to Korean cooking and the mail order business. She will get to attend a three-hour Zingerman's Partner's Meeting (an open public meeting) and work in another of the Zingerman's businesses.

For the final day, Dame Amy will take the winner to nearby Detroit to check out the food scene and to see a city being revitalized. The Legacy Award winner will stay at the home of Ann Arbor Chapter President Antoinette Benjamin. *This experience is particularly well suited for the applicant with an entrepreneurial streak, and/or involved in a food-related business, baking, teaching, manufacturing, etc.*
