# THE POWER OF CONNECTION LAS VEGAS

# Raising the Stakes in Leadership

Dear Dames,

I am thrilled to invite you to join us in Las Vegas this coming April for our Annual Conference and “The Power of Connection.”

Over the years, our Conference has brought us together to learn, grow, and celebrate the relationships that make LDEI so impactful. This year, however, we are taking a fresh approach. The Conference Committee is a dynamic group of women from various chapters—diverse in experience, perspectives, and voices—working collaboratively so the responsibility of Conference does not fall on a single chapter. Together they have created a program that is both exciting and inclusive, reflecting the strength of our organization.

At Conference, we will see the return of touchstones that have defined past Conferences, such as the Legacy Awards, meeting the awe-inspiring winner of the 2025 Women of Purpose Award in Partnership with Yeti, dynamic educational sessions, and the guidance of leaders including LDEI attorney Jackie Henson. At the same time, new opportunities await you: interactive roundtable discussions, the chance to recognize and honor remarkable

chapters, and keynote speaker Elizabeth Blau. A trailblazer in hospitality and a visionary entrepreneur, Elizabeth has built a global restaurant empire while championing diversity, innovation, and collaboration. This year’s program is designed to inspire personal growth—giving you fresh tools, ideas, and connections to take back to your chapters, your careers, and your communities.

Most of all, the Conference is where our connections deepen. It is where introductions turn into collaborations, where ideas grow into action, and where friendships—old and new—remind us of the power we hold together. Networking, learning, and simply being in each other’s company is what makes these days so invaluable.

Come to connect, to be inspired, and to witness the changes that are shaping LDEI’s future. Together we are stronger, and together we will continue to build a vibrant path forward. I hope you’ll join us in Las Vegas and experience firsthand the Power of Connection that only LDEI can offer.

With gratitude,  
Stephanie Jaeger  
Immediate Past President

WE COME. WE CONNECT. WE ELEVATE. THE EN

# All In: An Invitation From the Conference Committee

On behalf of the 2026 Conference Committee, I am thrilled to share our plans for the upcoming gathering in April! This year the committee is not chapter based but is comprised of a group of Dames who have conference planning experience and are working on behalf of LDEI and reporting to the Board of Directors.

After last year's Conference, our first order of business was to send out a survey and ask for feedback on your Conference priorities and suggestions for improvement. Thanks to everyone who responded, we are excited to offer fresh learning experiences, inspirational seminars, and invaluable networking opportunities with industry professionals from inside and outside our organization.

Leaning into our theme, every touch point is meant to elicit connection. The Opening Reception will have a fun, networking component that will ensure lots of interaction. Our new Round Table Discussions will offer opportunities for collaboration and best-practice sharing in small groups on topics requested

by you. And Guidebook, our Conference app, will be more interactive, including announcing meet-ups and special on-site offers throughout the Conference. The educational sessions will focus on three themes: chapter enrichment, career development, and personal interest. And for those moments when you need just a bit of alone time, there will be the Walk-in Cooler, a separate space with comfortable furniture, soft lighting, and charging stations.

Our Woman of Purpose Gala Dinner will be held on the final night, while the other evenings will be free so you can take advantage of Las Vegas's world-class dining scene. But don't make any reservations quite yet, as curated dining opportunities are being developed especially for our Dames. Stay tuned for more on that. So be sure to join us in Las Vegas to reconnect with old friends and forge new relationships as we once again come together to be inspired.

Jennifer Goldman

*"I love Conference! It's a time I can reconnect with my sister Dames, learn about new trends in the culinary world and experience a city on a deeper culinary level."*

# POWER UP: CONFERENCE ESSENTIALS

## Hotel Accommodations

LDEI has a contract with the Cosmopolitan Hotel, located in the heart of the Las Vegas strip, that guarantees a specific number of rooms will be booked by the Conference attendees. In return, the hotel will provide us with complimentary meeting space and valuable concessions on items like food and beverages. These savings allow us to host a high-quality Conference experience at a reasonable cost for our members.

If we *don't* meet the guaranteed room block, however, LDEI will be required to pay for the unused rooms. This “attrition” penalty can be very costly and takes away resources that could otherwise be invested back into LDEI.

**Why It Matters to You** - By booking your reservation at the Cosmopolitan, you're not just securing a competitive room rate. You're also helping LDEI avoid unnecessary costs and ensuring the Conference continues to thrive. Staying onsite also means you're just steps away from the sessions, networking events, and fellow attendees without the hassle of commuting across the Strip.

To encourage attendees to support LDEI by staying at the host hotel, we're offering a special reduced registration fee for those who book at the Cosmopolitan. Here's how it works:

- Attendees who have a valid hotel confirmation number from the Cosmopolitan will have access to a lower registration rate.
- **Those not staying at the host hotel will pay the standard registration rate.**

**Important:** Be sure to book your hotel room before you register for the conference. You'll need your confirmation number to access the discounted registration rate.

### Booking Details

- **Hotel:** The Cosmopolitan Hotel of Las Vegas
- **Rate:** \$239 per night, plus a \$45 resort fee

## HOTEL REGISTRATION

**Conference Registration  
(with Cosmopolitan Hotel confirmation) \$795**

**Conference Registration

## The Walk-In Cooler

Shhhhhhh!

We understand that there are times at our Conference when you might long for a room that offers a bit of tranquility; a place where you can enjoy some time alone, a quiet place to check your emails, or simply where you can enjoy a moment away from the hustle and bustle of Las Vegas and the Conference. Think soft lighting, comfortable furniture, and charging stations.

## The Hospitality Suite

Where Connections are Made!

The Hospitality Suite is the place to go to connect with new and good friends, to enjoy a chat, or connect with sponsors.

## Guidebook

We will again be utilizing the Guidebook app on site for navigating the Conference agenda and connecting with fellow attendees. A link will be available after the first of the year.

## Air and Ground Transportation

The Harry Reid International Airport is the main airport serving Las Vegas. It is serviced by most airlines and is a short 15-minute ride to the hotel. Taxi and rideshare services are readily available and will cost approximately \$20.

## Weather

The weather in April in Las Vegas is very pleasant springtime weather with warm, sunny days and mild, comfortable evenings. The dry, sunny conditions are ideal for outdoor activities, including the beginning of pool-party season. Daytime temperatures average in the mid-70s with nighttime lows in the mid-50s.

## Attire

The attire for the Conference is business casual. Dress comfortably and remember that hotel ballrooms are often rather cold. For the Woman of Purpose Gala Dinner, cocktail attire is suggested.

## Las Vegas Dining

Dinners will be on your own except for the Woman of Purpose Gala on the final evening. But don't make your dining reservations quite yet. A list of women-owned restaurants to support and other dining opportunities are being organized and will be sent to your inbox in the coming weeks.
